Kind reference is invited to para 2 of the Government Order of 13th^x July 1918. The personal allowance should cease under that order.

Mrs. Mathurabai's promotion to 120 grade, old scale, was sanctioned with effect from 19th^x February 1918.

But the new order revising the grades has effect from 1st^x January 1918. Therefore her case will have to be considered with reference to the new allocation, which will have effect from a date prior to the promotion in question.

There is strong financial objection to various special and personal allowances being continued in the new Medical Department cadre. The prospects have been materially improved on the distinct understanding that such allowances should cease. The lady in question will get at least as much^x as she is now getting under the new scale and will be assured of periodical increments. So the new scheme improves her prospects and there is no reason to begin a new system of special allowances for individual cases in connection with the new scale.

Sir,

G With reference to Government Notification No. 6652/Med
1-17-17, dated 25-5-1918, ordering the promotion of Assistant
Lady Medical Officer Mrs. Mathurabai Uchgaokar, L.M. & S.,
from the 6th to the 5th class, I have the honour to forward
herewith, a copy of letter dated 19th June 1918, and a copy
of the Comptrollers Pay Audit Slip No. 201, dated 6-6-1918,
received from Mrs. Uchgaokar and to state as follows:-

P Mrs. Uchgaokar was entertained in the service as an
Assistant Lady Medical Officer of the 6th class on a pay of
Rs. 100/- to begin with, and personal allowance of Rs. 50/- was
also granted to her in G.O. No. 5722-3/Med:21-14-17, dated,
26-1-1915, probably in consideration of her being the first
Brahmin Lady of Mysore to take a Degree in Medicine and join
the service.

In the absence of any specific order to the contrary
Art 44 of the Mysore Service Regulations will apply to the
case and the allowance will be reduced to the extent of the
increase of pay secured by the promotion, and the effect will
be that the Assistant Lady Medical Officer will as stated
by her have practically no increase to her emoluments for

As this might not have been the intention of Government, I request that they may be pleased to specially order the continuance of the personal allowance of Rs. 50/- to Mrs. Uchgaokar irrespective of her promotion.

I have the honour to be,

Sir,

Your most obedient servant,

Letter dated the 19th June 1918, from Mrs. Uchgaokar,
Assistant Lady Medical Officer, Mysore, to the Senior Surgeon
Government of Mysore, Bangalore.

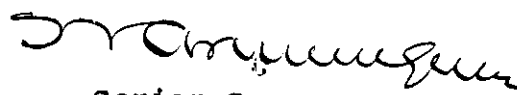

I beg to bring to your notice the Comptroller's No. 201
(a copy is herein enclosed) which has caused me great disappoint-
ment and deep regret I really do not know how it is.

When I accepted the post I had no idea that my allowance
would be absorbed as I was given the next grade. If I had,
it would not have been in the least tempting for me to accept
it knowing full well that my promotions for the next 9 years
or so will be merely nominal.

It is clear as it now stands that I cannot expect even a
pie more till a distant period of 6 years or so when perhaps
I may get the 3rd class. This including the 3 years I have
already served comes to a period of almost $\frac{1}{3}$ of one's whole
service during which I could expect no substantial promotion.
I need hardly say sir, that it is quite discouraging and dis-
piriting one in service.

It is very unfortunate that not even a day or two had
passed after your most encouraging and touching beture in the
Maharani's College about Lady Doctors etc., I should have to
realize the discouraging chances of myself one already in service
Under these circumstances I earnestly request you Sir, to kindly
advise me whether I should meekly accept what is given to me or
follow any other course to better my prospects since it is not
yet too late. awaiting an early favour.
